FORMAL COMPLAINT AGAINST BIBB COUNTY DHR

Plaintiff:
Holly Lowrance
66 South Forty Crossing
Woodstock, AL 35188

Defendant:
Bibb County DHR
84 Library Street
Centreville, AL 35042

RECEIVED
2017 OCT -2 P 2:
DEBRA P. HACKETT, CLK
U.S. DISTRICT COURT
MIDDLE DISTRICT ALA

Jurisdiction:
Civil Court of Alabama -OR- Federal Court

Allegations:
Bibb County DHR committed two acts of blatant "libel" in my family's ISP which was dated 6-27-2017.

First Case:
The department stated that I have been "largely uninvolved with the department..." This statement is libelous and untrue with respect to the fact that I maintained regular telephone contact with the DHR worker throughout this entire process. They are using my "uninvolvement" as an excuse to not providing me with any random drug screens that could have helped me regain custody of my children. This libelous and untrue statement represents a sort of defamation to my character as a concerned parent under DHR attack.

Second Case:
The department stated that, "...members of the community...said that...Ms. Lowrance has recently sold her refrigerator and stove." This is a written-down, libelous statement which is untrue and also acts to defame my character. I did, in fact, sell a refrigerator and stove out of my empty rental property in Tuscaloosa, AL. My kitchen at my family's home is operative and equipped with a working stove and refrigerator. DHR made no effort to come see my home-they just posted this libelous comment on my ISP.

Relief I Am Seeking From the Court:
I only want my DHR worker reprimanded for these libelous, written statements in my family's ISP, and for both statements to be removed/stricken from the record.

Signed, Holly Lowrance Dated, 10/1/2017
